

# RockLock

## Interlocking Border System

*Interlocking Border System that looks Just like real stone!*  
*Build Beautiful authentic looking walls in Minutes!*

- Durable, high-density polyethylene, with UV inhibitors: will not chip or crack in any weather
- Strong enough to sit on: will not sag or bow
- Straight and curved modular sections combine for unlimited layouts
- Wall heights of 10" or double stacked, 20"
- Actual length for calculation purposes 42" running length per section
- Endless layout possibilities- squares, rectangles, L, T, E shapes and more
- Great as a raised garden bed; retaining wall, water garden; sand box; unlimited uses
- Hollow walls insulate soil & plants for extended growing season
